

TESTIMONIALS

Greg and I are so appreciative of all your help in our purchase of Lot 1, The Peninsula. You were so quick to provide any information or contacts we needed. You even found those 2003 survey results! I have to tell you that this was, by far, the smoothest real estate transaction we've ever been involved with. We are delighted to be implementing our dream home plan in such a gorgeous spot. Thank you.

My husband and I have a long-term dream to retire in the Telluride area. We started talking with George before our upcoming vacation in the Telluride and Ridgway area. He took a lot of time with us and care to find out what we really wanted and needed, so when we made the trip out there we were able to see exactly what we had in mind. After we picked our dream property, George and Becky worked with us to answer all of our questions and make sure we had everything we needed every step of the process. They are so easy to reach, so patient especially with new buyers. I really enjoyed what could be a stressful process.

Thank you to George and Becky for helping us make our dream come true!

As a long term Telluride second home owner and a fellow Telluride Real Estate Broker, I turned to George Harvey to sell our property when we found we needed to be back in Florida full time. I had worked with George and knew first hand of his knowledge, experience and dedication. Being a very difficult market, George gave us excellent advice and we were finally able to sell our property when little else was selling. If we buy or sell in the Telluride market in the future, we will once again turn to George for professional assistance.

Thank you for all your time and energy in helping us search for our perfect place, even when we were not at all sure what that would look like. The cabin in Rico is in fact that perfect place, and we would never have found, negotiated, and closed it without your invaluable help every step of the way.

Although our price criterion was way below your usual range, it did not hinder you from devoting countless hours in supporting our dream. For that we thank you. Your wise counsel regarding our other criteria and all the complexities of west slope properties was extremely helpful.

I have worked with The Harvey Team for two years now, and can unequivocally attest to their enthusiasm, integrity, and ability. It is a distinct pleasure to recommend George and Becky Harvey to anyone contemplating a purchase of a property in the Telluride area. They exhibited an expansive knowledge of the area, and great patience with me, as I considered what kind of property and location I really desired. Their wise counsel was invaluable.

After discovering the acreage of my dreams on Wilson Mesa, The Harvey Team ran "interference" repeatedly during a somewhat difficult transaction. And, after that purchase was successfully completed, George directed me to another investment opportunity at the Peaks Resort, resulting in my purchasing a studio unit there that I am hugely pleased with. With both transactions, their overall support, responsiveness, insights, and the advice I received was simply beyond compare. And even after the purchases, Becky and George continue to serve almost like a personal "concierge service". Need a recommendation on a great fly fishing guide? No problem! Need to line up some snowmobiles on short notice to tour a property in the winter? No problem! After 27 years making Telluride their home, they have the contacts that will offer services with assured excellence.

So, if you want a great Realtor, look no further, whether you are buying or selling. Thank you both so very much for all the guidance and the many little "extras" that you continually provide.

Recently we utilized the services of The Harvey Team for a land purchase in Mountain Village. We found George and Becky to be true professionals, in every sense of the word. Having completed several real estate transactions in the Telluride Region over the past 10 years; this purchase has been one of the smoothest processes we have experienced. We really appreciate your best attributes: Knowledge of the local market; Experience with putting buyers and sellers together; Knowledge of the real estate industry; Guidance through the mortgage process in tough market conditions; High ethical standards.

Thank you for all of the hard work.

We sincerely thank you, Becky and The Harvey Team for helping with our recent purchase in Telluride. Over the years, we have bought and sold many, many properties, dealt with all sorts of agents and truly think you are the best. Your candor and counsel helped guide us through our first purchase in Colorado and some of its specific requirements. Your experience and professionalism provided a steadying influence as we all navigated through some of the added complexities, twists, and turns required to purchase a bank-owned property from long distance. We are especially appreciative of the help and invaluable advice after the sale.

Again, thanks to you and The Harvey Team- we feel that we gained friends in Telluride, not just a home.

I have known George Harvey for over 12 years as a Real Estate Broker and as a personal friend. George has represented me in numerous real estate transactions in the Telluride region, both as a seller and as a purchaser. He has always demonstrated the utmost care and professionalism in property selection, contract negotiation and attention to details.

We want to thank you for the outstanding service you gave us in the sale of our Telluride property. When we first decided to market our property, it was difficult to make a choice from the many firms that wanted to represent us. You were recommended by a trusted friend who was a very satisfied former customer of yours. There was never a time when we doubted anything you did - not even for a moment. You made it clear to us that you were serious about selling our property. We appreciate everything you've done for us. We want you to feel free to use us as a reference. We are forever grateful.

I want to thank you in general for the help you have given to Ronna and me over the years in our various real estate dealings in Telluride. You have always gone the extra mile for us, be it with HARC, other Realtors, or the Town. You really understand and embody the true meaning of customer service. We greatly value our relationship with you and hope it will continue into the future as we have more time to spend in Telluride.

Thank you to you and your team for the help with our real estate purchase in Telluride. I truly believe your experience and relationships in the Telluride market were the reason the transaction reached a successful conclusion. Marlene and I appreciated having a real estate broker who only had our needs and interests in mind throughout the transaction. We also appreciated you being a local friend to help with things beyond the real estate deal. You have been instrumental in making Telluride a very comfortable place for us.

I have spent over 20 years as a lawyer specializing in real estate development. I have worked with a lot of brokers and seen a few good ones and a lot of bad ones. Frankly, most of the advice I got from brokers was bad. I can say without hesitation your counsel has been invaluable and your friendship appreciated. I have the highest respect for you and I would be happy to make these same statements to any of your potential clients.

Thank you for your assistance with our recent purchase in the Mountain Village. The Harvey Team has been an absolute pleasure to work with...from identifying the right home for our family...through negotiation and closing...and now with the follow-up and advice in helping us to move-in. You have been objective, very thorough and extremely professional throughout the transaction. I will continue to recommend you to friends looking to make a purchase in the Telluride Region.
